

From AI Research to International Digital Partnerships *An INPACE WP3 Co-creation Workshop*

European Union – India – Singapore – Republic of Korea – Japan

Date: Tuesday, 25 August 2026

Time: 08:30–14:00

Venue:

Faculty of Informatics, University of Debrecen
Kassai út 26, H-4028 Debrecen, Hungary

About the Workshop

The INPACE WP3 Co-creation Workshop brings together researchers, educators, industry representatives and innovation stakeholders to exchange experiences, discuss emerging challenges, identify future collaboration opportunities in Artificial Intelligence, and foster international digital partnerships through knowledge exchange, dialogue and co-creation.

Programme

25 August 2026, 08:30–14:00 (CEST, Hungary)

08:30 – 09:00

Registration

Registration of participants and welcome coffee.

09:00 – 10:00

Opening Keynote

Application of Computer Vision Models in Security and Surveillance

Professor Marina Ivasic-Kos, Ph.D., University of Rijeka, Croatia

The keynote presents recent advances in computer vision and deep learning for security, surveillance and public safety applications, highlighting current research challenges and opportunities for trustworthy AI.

10:00 – 10:15

Coffee Break & Networking

10:15 – 10:40

Invited Presentation

Artificial Intelligence Doctoral Academy (AIDA): AI Education, Curriculum and International Collaboration

Dr. Ioannis Pitas

Aristotle University of Thessaloniki (AUTH) and CERTH/ITI, Greece

10:40 – 12:30

Interactive Roundtable Discussion

From AI Research to International Digital Partnerships

The roundtable brings together researchers, educators, industry representatives and innovation stakeholders to exchange experiences, discuss emerging challenges and identify opportunities for future collaboration.

Discussion Topics

- AI Education
- AI Skills and Workforce Development
- AI for Industry and Innovation
- AI for Public Services
- International Cooperation and Future Digital Partnerships
- HPC for AI Research and Innovation

Panel Participants

Dr. Ioannis Pitas

Aristotle University of Thessaloniki (AUTH) and CERTH/ITI, Greece

Professor Marina Ivasic-Kos, Ph.D.

University of Rijeka, Croatia

Representatives of the University of Debrecen

Invited experts from academia, research organisations and industry

12:30 – 13:00

Open Discussion & Networking

Interactive discussion, exchange of ideas and networking opportunities.

13:00 – 14:00

Lunch & Networking
